PERMISSION TO USE THE VILLAGE GREEN IS APPROVED WITH THE FOLLOWING RESTRICTIONS / CONDITIONS:

1. The Village Green shall be maintained in a neat and orderly condition at all times during the date of the activity and also, to the extent reasonably possible, during the setup and cleanup time for such activity.
2. Any equipment installed on the Village Green in connection with the activity shall be installed no sooner than 24 hours prior to the scheduled date of the activity and shall be removed no later than 24 hours after the scheduled date of the activity, provided however, any equipment which can be installed and removed shall be installed and removed on the day of the activity. This standard shall have separate application to any alternate date not immediately following the scheduled date.
3. No signs or equipment shall be attached to or installed upon trees or historic/memorial markers in the Village Green or upon traffic signs, parking meters, or light poles surrounding the Village Green.
4. No structures shall be erected or placed within fifteen feet of the trunk of any tree in the Village Green.
5. Traffic signs and parking meters surrounding the Village Green shall not be obstructed.
6. All traffic control arrangements and site layouts shall be reasonably calculated to insure the maximum safety of the public and to cause the least possible inconvenience to the public. Descriptions of arrangements for traffic control shall include the recommendations of the Village Chief of Police with respect thereto and shall clearly state any variances between actual arrangements made recommendations of the Village Chief of Police.
7. No activity shall be carried on or before 8:00 A.M. or after 8:00 P.M.
8. Consideration may be given as to whether an applied for activity, if permitted, would unreasonably restrict the public access to and use of the Village Green.
9. All arrangements for and expenses relating to maintenance of the Village Green immediately before, during and immediately after a permitted activity and traffic control during a permitted activity, shall be the responsibility of the permittee.
10. Any damage to the Village Green occurring in connection with an activity (including setup and cleanup, permitted hereunder shall be repaired at the expense of the permittee. At the option of the Board, any repair so required shall be arranged by the Board or by the permittee.
11. At the option of the Board, a written indemnification agreement or some other security may be required as a condition precedent to the holding of a permitted activity hereunder to cover all responsibilities and liabilities of the permittee under the permit or any applicable law.
