Heather Wishik raised three questions regarding the Municipal Manager, Mr. Duffy. She asked about the criteria being used to decide whether to renew his contract, whether the Boards had received and reviewed the complete prior fiscal year's audited financials, and if they had considered obtaining management or leadership training for Mr. Duffy.

Nicholas Seldon expressed frustration that the board was not responding to citizens' questions. He questioned why a new contract was being considered for Mr. Duffy. He also noted that Mr. Duffy had previously sought employment elsewhere.

Roger Logan urged the board to finalize the Town Manager's contract, stating that "this has gone on long enough" and that they needed to "put this to bed and move forward."
